

...LIMITLESS HORIZONS.

## Trader Performance

**PLEASE NOTE:** Past performance is no guarantee of future performance. Trading off-exchange foreign exchange on margin carries a high level of risk and is not suitable for all investors. Trading through an on-line platform carries additional risks. No one has ever created a fail-safe trading system or strategy. Fees are not included. See Account Management Agreement on [www.dankelmanagement.com](http://www.dankelmanagement.com).
